

NeuTab N7 Pro Back Cover Replacement

Use this guide to replace the back cover.

Written By: Eric Fiske

INTRODUCTION

This guide will go over how to replace the back cover of the NeuTab N7 Pro. The back cover of this tablet protects the sensitive components from physical damage. It is important to take care while removing the back cover, so use this guide to ensure a successful replacement.

TOOLS:

- [iFixit Opening Tools](#) (1)
-

Step 1 — Back Cover

- ⓘ Power off your device before beginning disassembly.
- Insert plastic opening tool and pry case away from the device, slowly moving the plastic opening tool along the device.

Step 2

- Use plastic prying tool to lift speaker from cover.

To reassemble your device, follow these instructions in reverse order.
